

GRASSROOTS INTERNATIONAL EXPOSURE TOUR

VENUE: NORWICH, ENGLAND

DATES: 17TH JULY 2017

SPORT: FOOTBALL

IN ASSOCIATION WITH

AIM OF THE TOUR

It's the dream of every footballer to visit the place where the whole country breathes Football. It is a **Golden Opportunity** and is indeed a **once in a life-time** experience.

- **Age group is 10-18 years**
- It's an initiative taken by **Grassroots team** to help the players learn & implement new techniques used by the footballers in England.
- This program shall open doors to a lot of exposure and opportunities abroad.
- The players shall be representing **Grassroots India** at the training program.
- The slots are limited to **20** and are clearly based on talent and first come first serve basis.
- Grassroots will also be providing the players with **Training Jerseys, Tracksuits & football kit** with the name printed on it .
- The players will get the opportunity to interact with the **Players. From across the world.**
- Players will also be assessed & provided with a **certificate** from the **Langley Football Academy, associated with Norwich City FC** at the end of the Tour.

COACH : DARREN EADIE

Langley Football Academy summer camps offer a unique experience of first class football coaching headed up by Darren Eadie, Norwich City FC, Leicester City FC and England player and team of former professional football players and UEFA trained coaches, with an exciting programme of academic study and evening and weekend activities.

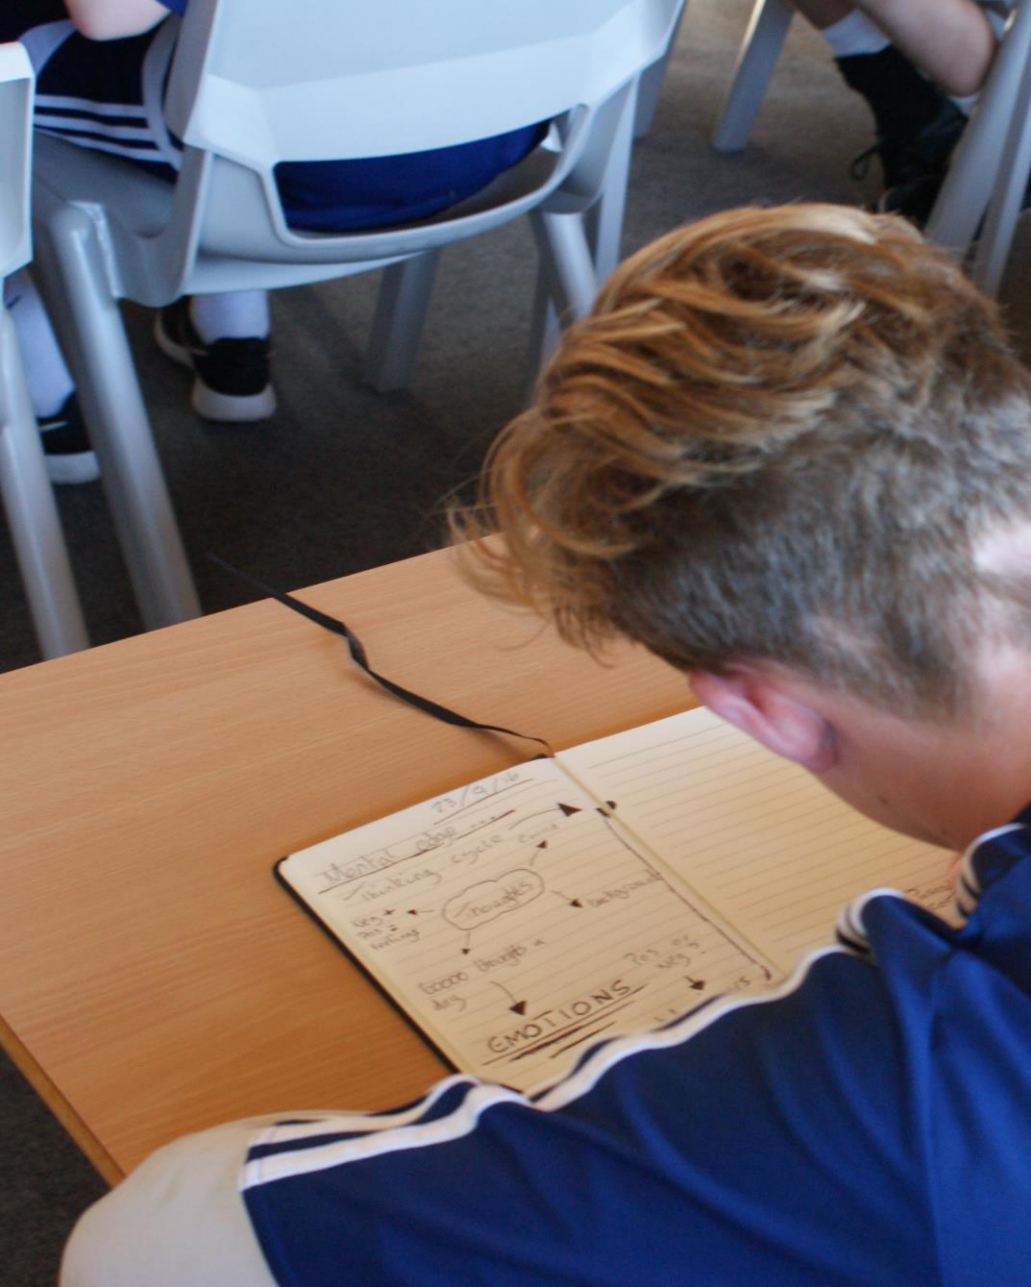

FEATURES OF THE CAMP

The summer camp courses are designed to provide an enhanced academic enrichment programme as well as developing students' football skills on the pitch. The course also covers strength and conditioning training, improving match techniques and analytics, media training and life skills as well as developing a personalised training and nutrition programmes.

Langley Football Academy Summer Camp overview:

Students will spend the morning in the classroom at Langley School following an academic enrichment programme delivered by our highly trained teachers. Students will then have the opportunity to catch up with friends and make new friends over lunch, followed by an afternoon of professional football coaching mixed with strength and conditioning, positional coaching and nutrition, finishing the day with match techniques and analytics. Evening activities will include; a trip to the beach to play more football or other sports, BBQs in the grounds of Langley Park, tour of Norwich City Football Club stadium and first team training ground, current NCFC and former NCFC player appearance opportunities and a trip to the historic city of Norwich. The weekend activities will include a trip to London and surrounding areas.

SUMMER CAMP COVERS
